FOR ENGLISH IN SCHOOLS.

Michigan Governor Also Urges Federal Prohibition Amendment.

LANSING, Mich., January 2.—Early ratification of the federal prohibition amendment and enactment of a law requiring that all courses in Michigan schools be conducted in English up to the eighth grade were urged upon the legislature today by Gov. Albert E. Sleeper, in his second inaugural address to that body.

Concerning the state's educational system, he said: "Instead of encouraging the foreigner who comes to our state to retain his native language and traditions we should exert every influence to impress upon him the high ideals of American citizenship. No school child in Michigan should receive his educational training in any foreign language."
